**Rendacium's Highly Anticipated New Single *I'm Not Sorry* Is Out NOW!**

Following the release of their debut album '*Lies, Mood Swings and Bullsh!t*' Rendacium are back with an explosive, amped-up & melodically-driven hybrid blend of energetic Pop-Punk encapsulated in the release of their new single 'i'm not sorry'.

After breaking extraordinary ground being featured on BBC East Midlands, reaching no.4 in the iTunes Rock Charts and with the release of their debut album *Lies, Mood Swings and Bullsh!t*, which has now accumulated over 10,000 streams on Spotify alone. Rendacium have built up an incredible level of support, love, and enthusiasm surrounding their music – and a rock-solid, loyal fan-base in the process.

Officially released on March 23rd, 'i'm not sorry' is out right now, available, and taking over every major music platform online. Capturing the bitterness that lingers after a messy breakup 'i'm not sorry' is a pop-punk banger capturing Rendacium's live-wire energy perfectly through a song that is every bit as raw and real as it is catchy and energetic.

Expertly recorded, mixed and produced at Park Studios, Wembley, with just under 3 minutes of pure Punk-inspired energy hot enough to melt your speakers – join Rendacium with the release of 'i'm not sorry' as they establish their music permanently in the scene & on your playlists.
